Knockinaam

Lodge

A romantic couple is shown in a field of white daisies. The man is wearing a white shirt, a dark vest, and a tie, and the woman is wearing a light-colored, long-sleeved dress. They are holding hands and looking at each other with smiles. The background consists of a dense line of green trees and a hillside under a cloudy sky.

LOVE IS IN THE AIR

WHERE SEA VIEWS, EXCEPTIONAL DINING AND
CELEBRATION COME TOGETHER.

ABOUT THE LODGE

Nestled in the Rhins of Galloway and hidden within its own secluded cove overlooking the Irish Sea, Knockinaam Lodge offers intimate, exclusive celebrations shaped by exceptional food, warm hospitality and breathtaking coastal beauty.

With ten individually designed bedrooms, elegant lounges and private gardens leading down to our sandy beach, the Lodge feels more like a private home than a traditional venue.

We also offer two self-catering lodges on site, each with two bedrooms, which can be included as part of exclusive use.

Calm, romantic and beautifully secluded, Knockinaam is a hidden gem by the sea.
